How Your Sponsorship Helps

In 1997, a group of recovering alcoholics decided to return the hope and support that was so freely given to them in early sobriety. They envisioned a drug and alcohol-free home environment where newly sober individuals could begin to rebuild their lives.

Over the years, Hilljack House has made a difference in the lives of hundreds of men and women in recovery by providing safe houseing, guidance, and the support needed to become contributing members of society. Residents, alumni and families have all benefited from your generosity.

The money raised through fundraising and sponsorships is crucial to the success of the recovering alcoholics and addicts we serve. Men and women arrive at Hilljack House from halfway houses, broken homes, homeless shelters and loving families. Without the support of donors and volunteers, Hilljack House could not continue to support those in recovery as they transition to independent living.

Hilljack House is governed by a volunteer board of directors who donate their time, talent, and monetary support.
